

Hotel 2/5 Newsletter

APRIL 2014

RETREAT HELL

ISSUE THREE

Editor's Column

Here is the third of the monthly newsletters and yes it is late. It is also a shortened version. I am trying to get it out to all of you with just one object in mind. That is to get all of the info that is available for the reunion.

Carolin and I are heading back to the Mediterranean on a Regent cruise. We are going to be gone for a little over two

weeks and I have a shit load of stuff that I am scrambling to get done before we leave.

Be sure and get the form filled out and mailed off to Larry with your check before I get back from sailing the Med.

You may have a little extra time as the French air controllers are having a strike which happens on the date we fly over and the date we fly back. The cruise line includes the flight in the

price of the cruise, however, they booked the return flight on Air France. The important thing is I got a good deal on the price.

As you can see from the reunion update things are moving along. Plans are being implemented, but are always subject to change. See you all in Nashville.

I will put together another newsletter in my spare time on the cruise and send it out if I make it back.
